

Lowell City News

2019 Fall Edition September/October/November 2019

It might not come as a surprise to some, but to others, they may be shocked to learn that tourism is the second largest industry in Arkansas, second only to agriculture. And, it may be of no surprise that Benton and Washington Counties are the two largest counties in the state that benefit from tourism. It's actually easy to understand considering all that our region has to offer.

In 2018, the City of Lowell voted to establish an advertising and promotions commission. The commission would be tasked with creating a marketing plan to promote the city, identify the city's many assets and develop new programs designed to bring new visitors to Lowell.

This August, the Lowell A & P Commission launched the 2019-2020 marketing program. Designed to highlight many of our existing assets such as Ward Nail Park, history, Razorback Greenway, shopping, entertainment and yes-food!

Now, we are looking forward to our first pickin' in the Park, the first Thursday of each month at Ward Nail Park. Guitars and banjos welcome!

A Christmas Tree Lighting ceremony in November (date t/b/a) along with parade and activities for all ages.

And in 2020, we will be announcing the Lowell Concert Series with music at Ward Nail Park. We are developing an exciting new project: The Lowell Enduro, which will feature on road bicycling challenges as well as the prospect of a running event as well.

Topped off with a "Delicious in Lowell" event highlighting our growing dining community; a taste of Lowell, featuring the many great food trucks in Lowell. A Veteran's Day Celebration and many more events that are taking shape at a rapid pace.

"Discover Lowell" is our theme going forward. You can find more information on Facebook at www.DiscoverLowell.com.

Sincerely,
Mike Maloney

Lowell Fire Department News

Did you know that if you have a Storm Shelter, you can register your shelter with the Benton County Department of Emergency Management?

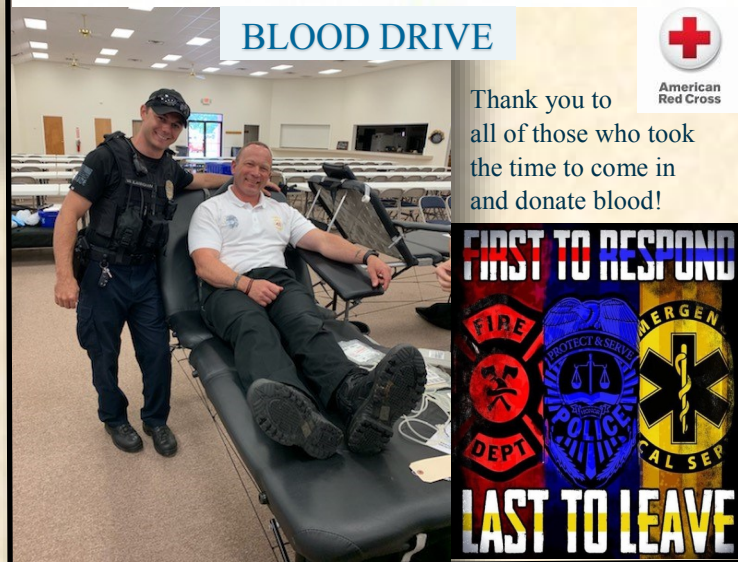

By doing this, First Responders will be provided with addresses that may have a storm shelter covered in debris in the event of a major disaster.
