Mayor Chris Moore presented Lowell Firefighters with a framed letter from the Rogers Fire Chief, Tom Jenkins, who thanked them for their quick response to their request for aid during the aftermath of the tornado that occurred on October 21st. Rogers suffered a great deal of damage and many of the streets were impassable, Chief Jenkins praised these fine firemen and their selfless work ethic helping their neighboring City.

On November 19th, Mr. Greg Stanfill and JP Barnett, on behalf of Arvest Bank, presented a check to the Lowell Police Department for the purchase of new safety equipment.

In lieu of Birthday gifts for themselves, these wonderful children asked that all gifts be given to the Animal Shelter instead!

LOWELL CHRISTMAS PARADE
AND TREE LIGHTING
CEREMONY

On November 23rd, Lowell held it's first annual Christmas Parade and Tree Lighting Celebration. A wonderful time was had, in spite of the cold windy conditions! We would like to give a special thanks to the Lowell A&P Commission, Centerpoint Church of NWA, Rogers-Lowell Chamber of Commerce, Lowell Dairy Queen, Glenn Jones and Lisa DeGifford.

We'd like to thank all of our Parade participants, they were a dedicated, fun group, and we feel very fortunate that they agreed to be a part of the celebration.

DID YOU KNOW, that as of June 18, 2019 the keeping of chickens (hens) in certain locations, is allowable within the City limits of Lowell? Ordinance No. 1037 spells out the specifics of what is required and the number allowed. If you are interested in finding out more, you may check out the ordinance online at www.lowellarkansas.gov, or call City Hall at 479-770-2185 ext. 223 and we will get you a copy.

DID YOU KNOW, that you can pay court fines and traffic citations online at www.myfinepayment.com? All you need is your last name, date of birth and the citation number. They will notify the Court of your payment and you receive an email confirmation of payment.

Keep yard waste from entering our ponds and streams

The worst way to manage fall leaves is to rake, sweep or blow the fallen leaves out into the street. Leaves that end up on the streets can clog storm drains. These leaves eventually work their way into our streams. As they breakdown they release nutrients which contribute to lower water quality, cause algae blooms which can lead to fish kills and unpleasant views of nature.

As the leaves start to fall, give mulch mowing a try. It really is not that much work because the mower does the work for you.
