Former Planning Commissioner Chairman, Mitch Wright, was presented a plaque by Mayor Eldon Long during the city Council Meeting June 20, 2017 for his many years of service to the City of Lowell. Thank you Mitch for your many years of service to the City of Lowell. You leave some mighty big shoes to fill.

On May 6th, city employees volunteered at the First Tee's community event by hosting a Lowell putting green. The event proved to be a success, with a large turn out in support of the First Tee! We had so much fun volunteering with the children!

Glenn Jones, with the American Legion Post 1, presented Karen Davis with an official POW/MIA Medal and POW/MIA Coin at the July 18th Lowell City Council Meeting. These gifts were in appreciation for her help in attaining permission to fly the POW/MIA flag at City Hall.

The Lowell Historical Museum raised \$1,400.00 in a raffle for a yeti cooler. Mayor Long selected the winning ticket and gave it to Ed Harwell, LHM of NWA Board Member, to present to the winner, Eric McGhee.

Calling all Veterans!

Crystal Bridges is looking for volunteers, especially Veterans.

If you have any questions, please email Glenn Jones, one of their most dedicated volunteers.

Isaac Chapman, President of Lowell Elementary's student council, initiated the planting of a new tree on the playground of Lowell Elementary. He saw a need for more shade on the playground, and with the help of an anonymous donor, he accomplished the task of acquiring a tree. A new maple tree was planted on the south section of the playground. Way to go Isaac, the students of Lowell Elementary will enjoy the shade of the new tree in years to come!

The LOWELL ANIMAL SHELTER always has a GREAT selection of Dogs, Puppies, Cats and Kittens available for adoption. For a limited time, the adoption fees for the cats and kittens are waived. To view available animals visit :

And Ask!

If you are not sure that your project requires a permit, then call the inspector and ask. Laws and regulations can change from time to time and it is your responsibility to make yourself aware of the ones that will apply to you and your situation. Several things that did not require permits in the past may now require them. Permits and inspections do not necessarily mean that the job is going to cost more. What it does mean is that the work will be done to current codes. If you fail to obtain proper permits for your work it may keep you from being able to sell your home or affect an insurance claim, if a loss were to happen.

**Permits = a safe environment for your
home and workplace.**

Our friendly Contractor Services staff is here to answer any questions. Remember the only dumb question is the one you did NOT ask!
